Speri, Sant'Urbano, Amarone della Valpolicella Classico 2015

Tasted by [Susan Hulme MW](#) (at Le Famiglie Storiche tasting, London, 20 Nov 2019)

Speri started working organically in 2004 but the great 2015 vintage is the first to be certified. As a result, Speri feel the wines seem brighter and more expressive, and with this wine I have to agree. It's a serious, dry-style Amarone from the hillside Monte Sant' Urbano single vineyard. It is bright, tenacious, firmly structured and long, with great freshness and acidity and clear, pure flavours of ripe red and black cherry.
